

MAXWELL STREET LEGAL CLINIC FEE POLICY 2007

No fee is charged for the initial interview, where basic information will be gathered to determine whether the Legal Clinic can and will provide legal services. If we determine that we can help you, we will ask questions about your income to determine how much you will need to pay. Application fees, court costs, postage fees and outside copying costs are the client's responsibility. These costs are in addition to our fees below.

How much money you make determines what fee you will be charged.

If you would like to donate money to the Legal Clinic, you may do so at any time.

We ask that half of the fees be paid up front and the other half upon completion of services.

Please ask us if you have any questions about our fees.
